## HOW TO FIND YOUR SHADE

### SKIN COLOUR

In the world of makeup and foundation, skin shades come under different categories, first establish yours:

- \* Light
- \* Light Medium
- \* Medium
- \* Medium Tan
- \* Tan
- \* Deep Tan
- \* Deep
- \* Dark
- \* Deep Dark

### UNDERTONE

Next, find the tone of your complexion. Are you Cool, Neutral or Warm?

#### **COOL**

The veins on your wrist are blue/purple. Your skin throws off blue or pink undertones.

#### **NEUTRAL**

The veins on your wrist are both blue and green. Your skin will have some mixture of pink/yellow undertones.

#### **WARM**

The veins on your wrist are green. Your skin throws off yellow or red undertones.
